Pediatric Occupational Therapist
Start date: September 1, 2022
Posting closing date: August 1, 2022

June 20, 2022

Pediatric Occupational Therapist Department:

Classification: Temporary Casual (up to 15 hours a week). 12 months, with possibility of extension. Flexible work options available.

The work

As a pediatric Occupational Therapist working with multidisciplinary teams, you will provide a blend of virtual telehealth and in-person care to the pediatric population following safe social distancing and Covid-19 protocols (www.outreachtherapy.org). You will work families within the hub community of Port Alberni, and surrounding regional district communities. Position is primarily school aged children within our Extended Therapy Service.

The culture

Surround yourself with the mountain lifestyle, rainforest trails, and pristine ocean. Experience the Vancouver Island way of life with an organization that recognizes the importance of balancing work and play. Our workplace culture and management philosophy encourage professional growth and supports a healthy work-life balance with a generous vacation, education, and benefits package. Outreach Therapy is a community and family-centred not for profit agency. As such, there is meaning and purpose in your role as we work for the betterment of community health, and increase social impact. We welcome you to share your expertise with our many cultures and to do rewarding work that impacts community, children, and families.

What you bring – the basics

- Member in good standing with the College of Occupational Therapists of BC with 2-5 years pediatric experience.
- Clear vulnerable sector record check.
- Applicant should be RASP certified.
- Familiarity with funding models such as the At Home Program, Autism Funding and Jordan's Principal is an asset.
- Experience working in a blended in-person and virtual therapy model.

The extras

- People describe you as open minded, innovative, kind, and they often look to you as a leader or mentor.
- Clear, courteous, and professional communication skills.
- You are comfortable with a digital, paperless environment.
- Wages and benefits per HSA Health Professionals Collective Agreement www.hsabc.org/collective-agreements/health-science-professionals
