

**Job Posting**  
**Pediatric Occupational Therapist**  
**Start date:** As soon as possible  
**Posting closing date:** August 1, 2023

June 1, 2023

**Pediatric Occupational Therapist Department:**

**Classification:** Permanent Full Time (37.5 hr/week). This is a sole charge position with mentorship support in place.

**The work**

As a pediatric Occupational Therapist working with multidisciplinary teams, you will provide a blend of virtual telehealth and in-person care to the pediatric population and their families. You will work on the traditional and ancestral lands of the Nuuchaltnulth people within the hub community of Port Alberni and other coastal communities within the Alberni Clayoquot Regional District. This position is part of our early intervention services and primarily children aged birth to school entry.

**The culture**

Surround yourself with the mountain lifestyle, rainforest trails, and pristine ocean. Experience the Vancouver Island way of life with an organization that recognizes the importance of balancing work and play. Our workplace culture and management philosophy encourage professional growth and supports a healthy work-life balance with a generous vacation, education, and benefits package. Outreach Therapy is a community and family-centered not for profit agency. As such, there is meaning and purpose in your role as we work for the betterment of community health, and increase social impact. We welcome you to share your expertise with our many cultures and to do rewarding work that impacts community, children, and families. Our growing organization welcomes diversity and we take a team approach to making decisions. We welcome ideas and encourage staff to be creative and think outside of the box.

**What you bring – the basics**

- Member in good standing with the College of Occupational Therapists of BC
- 2-5 years pediatric experience an asset but not a requirement
- Clear vulnerable sector record check
- Desire to develop as an OT and develop the OT program within our organization
- Experience working in a blended in person and virtual therapy model

**The extras**

- Strong and professional communication skills
- Comfortable working within a digital, paperless environment
- Wages and benefits per HAS Health Professionals Collective Agreement
