

## **Pediatric Physiotherapist**

**Start date:** Approx. September 1, 2023 - *actual start determined with candidate*

Resumes reviewed, and interviews offered on an ongoing basis

### **Pediatric Physiotherapist. Port Alberni BC, Vancouver Island**

**Hours** 4 days per week (30 hours). Temporary – 12 months with possibility of extension

#### **The work**

This is an exciting opportunity to join the Outreach Therapy team in Port Alberni, BC Vancouver Island! We work from a family centred philosophy to provide assessment, diagnosis, treatment, and education for a variety of pediatric populations in collaboration with multi-disciplinary teams, in a variety of settings. This position provides great opportunities for personal and professional development in an innovative organization that values your unique approach and ideas.

As a sole charge pediatric Physiotherapist, you will provide a blend of virtual telehealth and in-person care. You will work with diverse cultures and families within the hub community of Port Alberni and surrounding communities and cultures of the Alberni Clayoquot Valley Regional District.

#### **The culture**

Surround yourself with the mountain lifestyle, rainforest trails, and pristine ocean. Experience the Vancouver Island way of life with an organization that recognizes the importance of balancing work and play. Affordable housing and living, too!

Outreach Therapy is a community and client-centred not for profit agency. As such, there is meaning and purpose in your role working for the betterment of community health and increased social impact.

We describe our culture as a “work family” and look to support team members while we work together to create a community of excellent care that comes together in an organization known for creating work environments that team members love to stay at.

#### **What you bring**

- Member in good standing with the College of Physiotherapists of BC with pediatric experience.
- Clear record check, access to reliable transportation with driver license in good standing, and current first aid CPR-C certificate.
- Experience and desire to work in a blended in-person and virtual therapy model, and comfortable working in a digital environment.
- Team oriented, but comfortable working autonomously.
- Clear, courteous, and professional communication skills.
- People describe you as kind, open minded, willing to collaborate and they often look to you as a leader or mentor.

#### **We offer**

- Mentorship in place
- We promote work-life balance with excellent benefits, leave, and vacation package.
- Flexible scheduling, blended hybrid in-clinic and work from home options.
- **Pension, education fund, and extensive healthcare benefits. Wages per HSA Collective Agreement: \$41.32 - \$51.28 / hour** [www.hsabc.org/collective-agreements/health-science-professionals](http://www.hsabc.org/collective-agreements/health-science-professionals)
