

Pediatric Speech and Language Pathologist

Start date: *April 1, 2025*

Pediatric Speech and Language Pathologist. Port Alberni BC, Vancouver Island

Hours: 4 days per week (30 hours).

Wage: \$42.27-\$52.58 /hr per HSA Health Science Professionals sub-sector grid 12

The Role

We are thrilled to offer an exciting opportunity to join the Outreach Therapy team in Port Alberni, BC, located on beautiful Vancouver Island! Guided by a family-centered philosophy, we provide early intervention services to children and families in our communities. This position offers a unique opportunity for personal and professional growth within an innovative organization that values your expertise, creativity, and individual approach.

As a sole-charge Pediatric Speech-Language Pathologist, you will deliver a combination of virtual telehealth and in-person care. This dynamic role involves working with a diverse range of families and cultures within the hub community of Port Alberni and the Alberni-Clayoquot Regional District. Our services also extend to the West Coast of Vancouver Island, including many coastal First Nations communities, providing a rewarding and impactful experience.

The culture

Outreach Therapy is a client-centered, non-profit organization with over 43 years of service dedicated to enhancing community health and supporting families to thrive. Joining our team means contributing to a meaningful mission and making a positive impact in the lives of those we serve.

We take pride in fostering a workplace culture that values both professionalism and enjoyment, creating a supportive environment where employees feel valued and motivated. Known for our commitment to excellence in care and team collaboration, Outreach Therapy has built a reputation as an organization where staff members enjoy long-term careers.

What you bring

- Member in good standing with the College of Health and Care Professionals of BC with pediatric experience.
- Clear criminal record check for working with vulnerable populations, access to reliable transportation with driver license in good standing, and current first aid CPR-C certificate.
- Experience and desire to work in a blended in-person (90%) and virtual therapy (10%) model, and comfortable working in a digital environment.
- Team oriented, but comfortable working autonomously.
- Demonstrated experience working with diverse populations, with training and expertise in trauma-informed and culturally sensitive service delivery.
- Clear, courteous, and professional communication skills.
- Leadership skills and a desire to create change and grow a program from the ground up.
- RASP (Registry of Autism Service Providers) certified is an asset but not required upon hiring.
- Experience with and knowledge of the At Home Program.

We offer

- Mentorship opportunities.
- We promote work-life balance with excellent benefits, leave, and vacation package.
- Flexible scheduling, blended hybrid in-clinic and work from home options.
- **Pension, education fund, and extensive healthcare benefits. Wages per HSA Collective Agreement: \$42.27-\$52.68 / hour** www.hsabc.org/collective-agreements/health-science-professionals
